College Admissions Timeline

Schoology-Ready Content

Schoology page title: Launch Into Your Future | College Admissions Timeline

Suggested completion time: 15-25 minutes

Student-facing overview

Build the list before choosing application plans.

Learning target

I can use a current official source to choose and document one next step related to college admissions timeline.

What to know

- Build the list before choosing application plans.
- Early Decision is binding; Early Action is generally nonbinding, but rules vary.
- Program and scholarship deadlines may differ.
- Submission is followed by portals, documents, decisions, aid, and enrollment.

Complete these steps

1. Research colleges and programs.
2. Verify application plans and deadlines.
3. Request recommendations and transcripts early.
4. Draft essays and supplemental materials.
5. Submit applications and monitor portals.
6. Complete aid requirements and compare decisions.

Student response

- My next action is...
- The person or organization that owns this information is...
- One detail I verified, and the date/source I used is...
- My follow-up date is...

Before you submit

- Use an official or school-approved source.
- Do not include sensitive personal information in a class discussion post.
- Ask a counselor or trusted adult if the requirement or next step is unclear.

Sources and verification

Use the linked official sources to confirm current details before release or student use.
