

Launch Into Your Future

College Onboarding and Transition Checklist

Student Learning Deck

Three ideas to use now

- **Know this**
- Activate the college portal and official email.
- Complete aid, billing, advising, placement, health, housing, and orientation tasks.
- Contact academic, accessibility, and student-support offices early.

What to know. What to verify.

Start here

- Activate the college portal and official email.
- Complete aid, billing, advising, placement, health, housing, and orientation tasks.

Verify before acting

- Do not promise eligibility, availability, admission, funding, placement, credit, licensure, or an outcome.
- Recheck dynamic information with the official owner before the student acts.

Build your action plan

- **Next moves**

- Confirm the enrollment decision and deposit rules.
- Open the institution's official new-student checklist.
- Complete financial-aid and billing requirements.
- Finish advising, placement, orientation, housing, and health tasks.

Use it now
