Three ideas to use now

- **Know this**
- Start with the destination, not only the immediate class.
- Match the learner to the correct Adult Education route.
- Verify eligibility, capacity, assessment, schedule, and support.

What to know. What to verify.

Start here

- Start with the destination, not only the immediate class.
- Match the learner to the correct Adult Education route.

Verify before acting

- Do not promise eligibility, availability, admission, funding, placement, credit, licensure, or an outcome.
- Recheck dynamic information with the official owner before the student acts.

Build your action plan

- **Next moves**

- Name the long-term education or employment goal.
- Assess the current starting point and barriers.
- Select the Adult Education route that builds the needed skill or credential.
- Confirm provider, intake, assessment, schedule, and capacity.
